DESCRIPTION OF ACCIDENT BASED ON OFFICER'S INVESTIGATION

Dr1 was operating a motor vehicle traveling eastbound on Vine St, between N 30th St and N 31st St, at a reported speed of 30-35mph. Dr1 stated he did not see anything in front of him as he traveled in the inside lane of traffic, however, he remembered a loud 'thump,' from what he thought was colliding with a piece of ice. Dr1 stated he did not initially believe what he hit was a piece of ice, but due to traffic around him and not seeing anything in his rearview mirror, he did not think what he collided with was a bicyclist/pedestrian. Fisk, a witness, stated she was operating a motor vehicle facing northbound on N 30th St, while waiting for the stop sign on the south side of Vine St. Fisk stated she observed Veh1 in the inside lane and began turning as the outside lane was clear. Fisk stated she observed firsthand Veh1 collide with the bicyclist, before leaving the scene eastbound on Vine St. Fisk stated she caught up with the vehicle and saw it was a white four door Chrysler with license plate# SUI980. Baeza, a witness, stated he was operating a motor vehicle traveling westbound on Vine St, between N 31st St and N 30th St, and observed Veh1 collided with the bicyclist, before leaving the scene without stopping.
